and pour it down the hole, and

then send in your bill; for every-

Reports Made and Historian Ely burn, to keep off winter's chill. Draws Lessons From Study of We're running short of spuds, the Colonial America. kids are needing duds, "a hat," demands the frau; but they must Democracies have problems both watch and wait till I quit buying from within and without, but the problems of a democracy are the opportunities for the individual. This was the declaration of Selden M. Ely, historian of the District of Columbia

cheaper kinds of beans. I shiver Brooks, who was arrested by Motor Revolution, in his report for the year, Revolution, in his report for the year, cheaper kinds of beans. I shiver submitted at the annual meeting of the organization, held at noon today at Rauscher's.

The annual gathering which listened to the historian's document was held has my goat, and I'm a sad galoot. In the ship of the sharty cycle, passing a street car while it was taking on passengers and with operating the machine without a permit.

Brooks, who was arrested by Motor Cycle Policeman J. D. East, was international meeting, as had been planned in 1914, the Red Cross work-charged with speeding on his motor cycle, passing a street car while it was taking on passengers and with operating the machine without a permit. to the historian's document was held immediately following the joint celebration of George Washington's 184th birthday, participated in by the Sons of the American Revolution, the Sons of the Revolution and the Daughters of the American Revolution, and held in Memorial Continental Hall. The president, Rear Admiral C. M. Chester, called the meeting to order, and, fol-lowing the conclusion of the business of the day, luncheon was served.

Lessons From Colonial History. "There is no advantage in knowing

Chapter of the Sons of the American

about the causes of the settlements in this country," said Mr. Ely, in part, "the period of colonial expansion, the revolutionary period or the lives of heroes or their descendants, unless it teaches us a Jesson or increases our judgment about our country as it now or as we hope to make it.

"Colonial American life was indeed hard and God-fearing; it believed in discipline and self-control. So is the typical, the worth-while American life of the present day. The government is taking steps to conserve our natural

is taking steps to conserve our natural resources, but the greatest of our resources are hardy men and women. The chief thing that makes life worth living is to do our duty. Precept must not be lacking, but example must be the fruit of precept. Our scheme guarantees individual liberty, but it does not guarantee individual leisure."

Prominent in the report were tributes and sketches of the Ives of members of the organization who have died within the year just ended. These include William Dickinson Baldwin, Wallace Adelbert Whitaker, Alexander Burton Hagner, Andrew A. Lipscomb, William A. De Caindry, Charles A. Boynton. Edward Bruce Moore, Isaac H. Benedict, Walter Howe, Benjamin S. Graves, Robert A. Ragan, Albert S. Barker and Frank J. Lewis.

List of the Nominees.

Ballots for the election of officers to erve the organization during the ensuing year were cast from 12 until 1 p.m., the nominees being as follows: For president, Philip F. Larner and E. Southard Parker: for vice presidents, Henry L. Bryan, Dr. Ira W. Dennison and Admiral Theodore F. Jewell: for secretary, John B. Torbert: for treasurer. William A. Domer; for registrar, Albert D. Spangler; for assistant registrar. Henry P. Holden: for historian. Selden M. Ely: for librarian, Charles W. Stewart: for chaplain, Rev. George H. McGrew; for board of management (five to be elected). Admiral George W. Baird, John S. Barker, Paul Brockett. Col. Frederick C. Bryan, Lisle S. Lipscomb. C. C. Magruder, fr., and George C. Maynard; for delegates and alternates (twenty-two to be elected). Admiral George W. Baird, John S. Barker, Dr. T. J. W. Brown, Col. Frederick C. Bryan, Dr. Lewis D. Carmen, Admiral C. Bryan, Dr. Lewis D. Carmen, Admiral C. M. Chester, William V. Cox, Dr. Ira W. Dennison, John Paul Earnest, Dr. Mark F. Finley, Richard P. Hawes, Dr. Edwin A. Hill, Col. Gilbert C. Kniffin, Rev. George H. McGrew, Commander, John H. Moore, Zebina Moses, Frederick D. Owen, Francis H. Parsons, Henry W. Samson, Albert D. Spangler, J. McD. Stewart, Dr. Lewis B. Thompson, Col. William B. WOULD CHAMPION HEROES.

Sir Frederick Milner Offers to Take Seat in Parliament LONDON, February 22 .- "I am con-

inced I could startle parliament by the many facts I could bring to their notice," says the Right Hon. Sir Frederick Milner in a letter to the Times, in which he offers to take the parliaprobably will be sent to the George mentary seat of any member of the Washington University Summer School house of commons now at the front for the duration of the war.

of education of Porto Rico, is in correspondence with Dean William Carl Ruediger director of the summer school in regard to the matter. Mr. Miller has requested that the teachers be admitted free to the courses and it is probable that this will be granted.

His object, Sir Frederick says, is "to fight the battle of our maimed heroes, who are being so cruelly and capricularly treated by the authorities." It is time, Sir Frederick adds, that some member of parliament should come forward to champion the cause of the noblemen.
